

Features

- Lightweight & Portable
- Fast Locking System
- High Refresh Rate & Brightness
- Front/Rear Maintenance
- Seamless Display
- 2 Years Standard Warranty (extendable up to 3 years)

A Rental LED Display is a versatile and high-performance solution, specifically designed for temporary use, such as events, concerts, trade shows, exhibitions, and conferences. It is a corner-protected design to prevent damage during frequent handling and transport, ensuring durability over time. Its angular locking system supports both curved and straight configurations, allowing for creative and adaptive setups. Additionally, the built-in climbing structure enables easy and secure installation, even in complex stage designs.
