- Eye-catching appearance
- 2 years standard warranty (extendable up to 3 years)

The Orion P2.5 Indoor Standee Display is a premium digital signage solution tailored for retail environments, specifically designed to enhance both indoor store design and advertising impact. As part of the Orion digital standee series, it plays a key role in elevating brand image and creating a visually engaging, modern retail atmosphere that attracts customers and boosts sales. It ensures minimal power consumption while maintaining a noise-free environment. The display includes a convenient power switch for simple, plug-and-play functionality. Its high-quality screen produces pure images with smooth gradation, delivering refined and captivating visual effects ideal for retail promotions and branding.
